Office Supplies With a Personal Touch.

March 2018

March Madness!

March is a crazy month of sports, St Patrick's Day festivities, and anticipation for spring. The restlessness from the winter starts to show in everyone. With all the activities March brings, it's very possible your staff may need some extra COFFEE on hand to get through the day.

At Great River Office Products, we carry a variety of Keurig coffee makers and all the supplies and coffees you need to go with them. With the **Keurig**, your employees have the option to make an array of fresh beverages such as coffee, hot tea, chia tea, apple cider, and hot cocoa just to name a few. Your breakroom wouldn't be complete without the extras that make a perfect cup of coffee. Our one-stop shopping experience lets you choose a multitude of coffee cups, creamers, sugars, stir sticks, K-cup storage and napkins. Lastly, you'll need cleaning products like **Oh Yuk Coffeemaker Cleaner** to keep your beverages taste as fresh as possible. Did you know cleaning your Keurig regularly will help it last longer too?
